Meeting No. 33

when: **Wednesday 25th March 9.00pm to 12.30pm**

where: **TBC, CBD, Auckland**

theme: **CCG and the industry going forward into 2009 and beyond**

9.00am Welcome & Introduction CCG Update by Chair Joe Hollander

9.15am Host Introduction – TBC

9.30am Progress on Department of Building & Housing Ministerial Task Force, Q&A

In August 2009, a ministerial task force was established to look into ways of making our industry more productive. Their final report is due in April and much work has been carried out so far. A number of ideas were presented at the Job Summit and include industry prequalification, central Government sharing their long term workplans amongst others. CCG has been at the heart of developments and this presentation will update members on progress to date. Key to the ideas is a link with the current 'stimulus package'

9.30am CCG Planning Session – Projects Feedback

In February, the Steering Group plus a number of supply chain members got together for a facilitated session looking at "how CCG can support the industry in 2009 and beyond". The group came up with four projects, each led by a member of the meeting. We will hear some feedback on how they are getting on with these:

- **The CCG Protocol**, led by Ben Eitelberg (presented by Amanda Warren in Ben's absence)
 - *Developing Best Practice tools and guidance for our members*
- **CCG Beacon Project** - Shane Brealey
 - *Applying all the tools to a live project for study*
- **CCG Vision** - Charissa Snijders
 - *CCG's purpose moving forward*
- **CCG Task Force, Advocacy** - Phil Brosnan
 - *Getting the messages out there*

10.15am Morning Tea & Networking

11.15am CCG Community on-line –Amanda Warren

11.30am Developing the Protocol

We will have a professional facilitator to help further develop the CCG Protocol which will define Best Practice in the eyes of our members.

12.30pm Close for nibbles and drinks
