

# Short Course Module - AUCKLAND

## Risk Control and Mitigation

Thursday 27<sup>th</sup> November 2014

Key Factors	Details
<b>Name</b>	<b>Risk Control and Mitigation</b>
<b>Where</b>	NZIM, 4th Flr, Phillips Fox Tower, 205 Queen St, AUCKLAND
<b>Description</b>	<ol style="list-style-type: none"> <li>1. Highlight risk management as one of a set of integrated business and project management tools rather than a tool deployed in response to a specific anxiety</li> <li>2. Introduce fundamental disciplines needed to recognise risk and its potential impacts and respond with rational management decisions.</li> <li>3. Recognise the collateral benefits of good risk management.</li> </ol>
<b>Learning Outcomes</b>	<p><b>On completion of the workshop, you will:</b></p> <ul style="list-style-type: none"> <li>• An Organisation wide perspective on risk. What is your organisation’s tolerance to risk?</li> <li>• The 10 point plan – A rational approach.</li> <li>• Applying risk management across the project lifecycle</li> <li>• Identifying, registering and categorising risk.(Including some thoughts on allocation)</li> <li>• Risk Analysis – Prioritising and the application of integrated frameworks</li> <li>• Risk Analysis – Influence of Project Drivers</li> <li>• Risk Response</li> <li>• Risk efficiency – Optimising cost/risk</li> <li>• The Human element.</li> <li>• Group Discussion around organisational risk exposure</li> </ul>

	<ul style="list-style-type: none"> <li>• Sharing of war stories on the relationship between Risk Management, Murphy’s Law and the need to keep your eye on the prize</li> </ul>
<b>Tutor</b>	<p><b>Trevor Kempton – Partner, Constructing Excellence</b></p>  <p>Trevor is a professional engineer with 35 years of experience in civil and environmental engineering, project management and construction. He had a 25 year career with Naylor Love Ltd and was Managing Director from 2002 to his retirement in 2010. While at Naylor Love, Trevor employed Constructing Excellence over a 6 year period from 2005 to help the Company achieve its goal of being “measurably the best commercial constructor in new Zealand”. He became actively involved through ACE with Industry Leader addresses and latterly through teaching the business strategy module. He has been a Director of Constructing Excellence since 2008.</p> <p>Trevor brings a broad and mature experience base, an insightful and intuitive personality and strong communication skills to the Constructing Excellence team. Beyond CE, he is active in performing arts governance, a professional director in the energy sector and since October 2010 has been an Otago Regional Councillor.</p>
