

# NEC AUSTRALASIA USERS' GROUP CONFERENCE

5 NOVEMBER 2015

COMMODORE AIRPORT HOTEL, 449 MEMORIAL AVENUE, CHRISTCHURCH

The use of NEC3 contracts continues to rise rapidly in New Zealand. The NEC Australasia Users' Group conference is an opportunity for the community to come together to share best practice, explore opportunities, and get the latest insights from industry case studies and experts.

Join the local NEC community and construction industry decision makers

## WHY ATTEND

- Enrich your knowledge of the progress, challenges and developments for NEC3 in Australasia with key speakers from the major NEC projects, including Christchurch City Council
- Learn about the successful application of NEC3 across large-scale public and private projects in the region
- Share experiences with others in our interactive workshops
- Be clear on how the application of NEC3 to your projects will ensure smoother project management and greater collaboration between parties
