Delivery & Social Procurement A Modern Case Study – One Year On

Background Information

Kāinga Ora's 139 Greys Avenue project is a complex consisting of three towers that are up to 14 stories high, comprising 276 apartments, commercial space and basement carparks. The Project is located at 139 Greys Avenue, Auckland.

Presentation from:

- **Jane Jujnovich** (139 Greys Avenue Project Director), an introduction to the project and our journey so far.
- **Mark Colborn**, (Procurement Lead) the procurement approach used for the project and the outcome to date
- **George Ellis**, (Building Social Outcomes Lead) social procurement and the important role that it is playing in the project
- **Jamie Gibson**, (Build Partner Lead), provides insight into how they are working with the client on this fast moving project to efficiently integrate the client's Outcomes.
