

Auckland's Procurement Programme

PROACTIVE ENGAGEMENT OF AUCKLAND'S BUILDING & CONSTRUCTION INDUSTRY

Reducing Boom Bust, Raising Productivity and Increasing Value

You are invited to contribute to shaping the future of Auckland's construction sector...

Key Note Speakers will include:

- The Hon. Maurice Williamson – Minister for Building and Construction
- Ian Maxwell – Acting Chief Operating Officer – Auckland Council
- Michael Gordon – Senior Economist – Westpac Institutional Banking

It will be held from: 8am – 10am with half hours either side for coffee and discussion, on 16th November 2012 - The Upper NZI Room, Aotea Centre.

This is a unique opportunity to meet and network with the Top 20 construction clients in Auckland and have your say developing efficient building and construction procurement and delivery across Auckland.

This Productivity Partnership initiative is an opportunity to collaborate with Auckland's largest construction clients and senior members of the building and construction industry to provide a combined view on future capital investment across the Auckland region. The end goal of this collaboration is to improve the efficiency of construction planning and delivery processes.

Forum Client members will be there on the day to review and discuss these plans including:

- **Auckland Pipeline Report No.2** which will be released at the event. This will build on the findings that were launched in Report No.1 at the March 5th, Auckland Procurement Forum event.
- **Improving Clients' Procurement**

Efficiency, including an overview on opportunities for co-ordination, alignment and unification, findings from the Supply Side Survey and the Forums' Action Plan and next steps for Client organisations.

The Building and Construction Productivity Partnership – a joint industry and Government venture has been established to address the issue of low productivity in the sector, and transforming the way it works from end to end.

Please come along and help shape the future of Auckland's construction industry - RSVP info@buildingvalue.co.nz.
