

## Members Networking Cluster – Tuesday 6 November, 5.30-7.00pm

With Melbourne's 'Great Race' over for another year, why not grab the opportunity to connect with other inspiring, like-minded people and explore ways to enhance the profile of green, urban design and promote sustainable business.

We warmly invite you to join us for a drink and nibbles at the inaugural Members Networking Cluster, to be held at the **Fox and Ferret, Riccarton** from **5.30-7.00pm**.

**Where:** **Fox and Ferret**  
Westfield Riccarton Mall  
Ground Floor  
28 Rotherham Street  
Riccarton  
[Directions to the Fox and Ferret](#)

*Special thanks to the **Building and Construction Productivity Partnership** for supporting this event.*

In addition to networking with industry colleagues, you will hear from:

- Chris Moller (Deputy Chair of PrefabNZ),
- Mark Colborn from Construction Clients Group (CCG), and
- Chris Kane (Productivity Partnership Secretariat)

There is no cost for attending this event. Your first drink is on us!

To RSVP please email Mark Colborn at Construction Clients Group ([mcolborn@constructing.co.nz](mailto:mcolborn@constructing.co.nz)), by 5.00pm Thursday 1 November.

This event is brought to you by:

- Construction Clients' Group,
- PrefabNZ,
- Sustainable Business Network, and
- Building and Construction Productivity Partnership.

We look forward to seeing you there!

The Building and Construction Productivity Partnership is a partnership of industry and government which is driving key initiatives to address the issue of low productivity in New Zealand's building and construction industry.
