(Boardroom Room 2.09) in Quad Block A,
parking: **Visitors Carpark outside Quad Block A**
(Through Gate 1 off SH17 – place business card on dashboard!)
theme: **Risk Management v She'll be right mate!**

Agenda

9.30am for 9.45am start
WELCOME & INTRODUCTIONS

The Industry in Action

10.00am **PRESENTATION: Joe Hollander, Director - Strategic Facilities Management, Massey University**

The MAP/Hopkirk Research Institute building on the Palmerston North Campus is a genuine pathfinder project, not only for Massey University but for all those involved in the project. The number of new initiatives are too many to list and the reasons for these initiatives are many. The building is now complete and Joe is going to share the experiences and the challenges with us. Joe's presentation will be followed by a Q&A opportunity.

10.45am **Morning tea**

Driver for Improvement

11.15am **PRESENTATION: Brent Michie, Manager – Northern Region & Allan Langley, Manager Southern Region, AON New Zealand**

Risk Management – the latest buzz subject for the construction industry? Risk management may not be a new topic however it is one that creates its own uniqueness in the construction industry. We have an opportunity to use Brent's & Allan's extensive experience to broaden our thinking about meeting the risk needs of our industry.

12.00pm **DISCUSSION:**

- Do clients appropriately address risk?
- Do clients utilise the AS/NZ4360 framework?
- How do clients make provision for risk?
- How do we incorporate a risk framework in the client charter?

12.45pm **Meeting wrap-up**

13.00pm **Lunch & Networking**

Innovation ■ Best Practice ■ Productivity
