CONSTRUCTING EXCELLENCE

*Latest Report on
Sustainability in New
Zealand*

Meeting No. 12

when: **Thu, 24th August 2006, 09.00 to 12.30** for buffet lunch & networking

where: **Manukau Room, Civic Centre Reception ,35 Wiri Station Road,
Manukau**

parking: **Parking will be available in the Visitor Car Park**

theme: “ **Environmental Sustainability and Green Issues**”

Agenda

The main theme of this meeting is Environmental Sustainability. The role of sustainability in New Zealand and its relevance to the Construction Clients Group will be discussed. The meeting will open with a discussion of the previous meeting minutes. The Establishment Chief Executive of the NZGBC will then present the current state of sustainability initiatives in New Zealand. This shall be followed by a presentation of the Waiatarua Wetlands project, winner of the Arthur Mead Environmental Award in 2006. The issues of pertinence to the CCG shall then be discussed. Buffet lunch shall be served at 12.30 a.m.

9.00am WELCOME, INTRODUCTIONS & UPDATES ON CLIENTS' CHARTER

- Last meeting, the members came together to focus on the development of the construction clients' charter and setting targets for its take up. The meeting culminated with a group signing of the Clients' Charter. Our Chair will give an overview of the Clients' Charter & call for more signatures. Other issues such as the Benchmarking Club ,update on the Wellington session and CCG hosting and financial issues shall also be discussed.
