**Time:** 11.30am to 1.30pm  
**Host:** Hawkins and Christchurch City Council  
**Where:** Christchurch Town Hall  
**Theme:** Site Visit Christchurch Town Hall

Christchurch Town Hall of the Performing Arts is an iconic grade 1 listed heritage building which is currently undergoing a major NEC-procured restoration following extensive damage from the earthquake of 22 February 2011. The upstairs function room, known as the Limes Room, and restaurant also slid towards the River Avon by around 150 mm and lifted 300 mm at one end. In 2013 Christchurch City Council agreed to repair rather than demolish the building and embarked on a five-year, NZ\$127.5 million conservation project. In June 2015 main contractor Hawkins Construction was appointed to undertake the works. Work is due for completion in mid-2018.
