ICE 200th Anniversary

Engineering the Future

The engineering expo open to everyone

Saturday 22nd September 2018

The Cloud, Auckland Waterfront

Engineering the Future is a free, family event for all ages! The Institution of Civil Engineers celebrates its 200th anniversary with this exciting exposition and a number of activities that show how Civil Engineering has transformed the way we have lived for over 200 years. Come and join us in this event sharing your experience, expertise and inspiring the next generation of engineers.
