'THE HAPPINESS PROJECT'

HAPPINESS ENGINEERING

CCG INTRODUCTION

The background is a solid green color. In the four corners, there are decorative white line art elements that resemble circuit boards or neural network connections. These elements consist of thin lines that branch out and terminate in small circles, creating a symmetrical, abstract pattern.

SOME SIMPLE FACTS....

- No hobbies!
- 50 to 80 hours a week
- Stressed and burnt out
- Failed projects
- The brain drain

SOME SIMPLE FACTS

- Productivity and Performance is directly linked to Happiness
 - Happiness led to a 12% spike in productivity¹
 - Unhappy Workers proved 10% less productive¹
 - Only 10% of your long term happiness relies on the External World! 90% is the way your brain processes the world! ²
 - 25% Job Success = IQ, 75% = Your ability to see stress as a challenge ²
