

## ICE Australasia – Women in Engineering Webinar (Virtual)

Rachel Skinner BSc MSc(Eng) FREng CEng FICE CTPP FCIHT  
HonFSE

Wednesday 28 July 2021, 4:00pm (AEST)

Presenting our ICE President, Rachel Skinner – “Women in Engineering” Webinar.

Joining Rachel will be four panel members who will provide insight into engineering for women and talk about their personal experiences as engineers.

There will be a Q&A panel available in WebEx for questions for Rachel and the panel, providing advice and information for members, non-members, STEM school students and university students who have also been invited.

.....  
The event will be hosted online via Cisco WebEx (link and information attached to this email).  
The event is open to all - ICE members and non-members in the Australasia region (Australia and New Zealand) so please forward on to those you feel may be interested.  
.....

Attendance is **FREE** and **open to all – members and non-members**.
