

CCG

BAY OF PLENTY EVENT

21 June 2023

07:00 AM to 09:00 AM

Emissions Policy?!? What does this mean, what is the path for our business to comply and understanding the science, what we are doing about it? Ballance Agri-Nutrients are our hosts us at their Tauranga site.

TOPICS:

OUR JOURNEY

Insights into Ballance Agri-Nutrients sustainability journey

CARBON ASSESSMENT

What do we need to know and what is the path to get there?

THE SCIENCE

Adopting circular economy approach and life cycle assessment methodology in limiting carbon emissions from buildings.

DIFFERENT PERSPECTIVES

Different perspectives on reducing carbon
