CONSTRUCTING EXCELLENCE

CENTRAL OTAGO SEMINAR

27th March 2025

05:00 PM for 05:15 PM start to 07:00 PM,
with Networking afterwards

Hosted by: **Breen Construction** - Pit Lane at Highland Motor Sport park

THEME: Connecting Construction & Sustainability:
Insights for a Better Future

OUR SPEAKERS

HOST WELCOME & PRESENTATION

Introduction - from our Regional Chapter Co-Chair.
Welcome - from Breen Construction's Trevor Breen, hosts of
today's seminar as we explore the potential for the coming year.

Dannielle Dendle
Senior Project Manager

A FINE BALANCE: HIGH PERFORMANCE BUILDING FOR COMMERCIAL CLIENTS

Introducing Breen's new high performance build in Wanaka. The team
will talk about some of the decisions and barriers faced to produce a
building that aims to strike a balance between passive principles,
function and returns.

Trevor Breen
Development Manager

RESIDENTIAL SUCCESS

A case study – investigating the journey
to build responsible healthy homes
locally.

Marcus Allen & Todd Couper
Founder and Sales & Marketing Manager

Managing Waste

A case study on construction waste management
and recycling.

Kelvin Mulqueen
Regional Manager

Agenda

27th March 2025

FOCUS: Better business outcomes through passive design, Waste Minimisation & designing with sustainability in design

SYNOPSIS: We review how Sustainability brings better business solutions and returns – whilst questioning 'where next' for these initiatives in the local market and how best to measure or demonstrate these wins.

17:00 **Sign In, Networking and Light Refreshments**

17:15 **Host Welcome**

Welcome to everyone from Tonkin + Taylor, hosts of today's seminar as we explore the potential for the coming year.

Dannielle Dendle & Trevor Breen
CCG Regional Co-Chair &
Development Manager | Breen Construction

17:20 **A local passive commercial journey**

Breen used themselves as a test client in order to better understand the decisions required to achieve the nuanced, well-attuned outcome required. The team were seeking outcomes that lead to more people being able to make more sustainable choices going forward)

Trevor Breen
Development Manager | Breen Construction

17:40 **Residential Success**

Our case Study reviews the utilisation of off-site construction and European design principles and local fast build technology. It provides insights into building responsible health homes that cost less to run and are friendlier to the environment

Marcus Allen & Todd Couper
Founder & Sales & Marketing
Manager | Árbol

18.00 **Managing Waste**

A case study on construction waste management and recycling. A view from the coalface – what we can do and what could come next.

Kelvin Mulqueen
Regional Manager | Breen Construction

18:20 **Facilitated Discussion Theme:
INDUSTRY READINESS for WASTE
REDUCTION & MITIGATION**

Along with our Presenters we are joined by Abi Hawkins, Waste Minimisation Officer for Central Otago Regional Council.

Led by CCG'S Dannielle Dendle
& Lindsay Muir
Rubix & Sullivan Hall

18.45 **The look forward for CCG 2025**

Tim Warren
CCG Secretariat

19:00 – 19:30 **Close & Networking**
