Construction Clients Group

Innovation:

- Creation of a Collaborative Team under a Traditional Contract.
- All utility companies part of the team.
- Proactive Stakeholder Engagement.

Construction Clients Group

One team Mentality

Construction Clients Group

- **CCG Construction Clients' Protocols:**
Collaboration
- **How is the Innovation Going/Gone?**
 - Collaborative result - 5 weeks ahead of the original completion with 40% extra scope.
 - Future proofed all utility networks.
- **Reasons For Submitting as a Pathfinder Project:**
You can have a collaborative environment in traditional contracts but it requires strong leadership and commitment from all parties.
